

Shwetha Elisha

Hello, I am **Shwetha Elisha** an accomplished and results-oriented Illustrator and UI/UX Designer with a strong understanding of graphic and visual design.

I am an ambitious, hardworking self-starter with a lot of ideas and an eye for design. Highly regarded for out-of-the-box thinking, working efficiently, juggling multiple tasks, prioritizing, meeting deadlines and achieving high standards in creative execution.

2023 UI/UX STUDENT

2022 Career Foundry (Est. Time of Graduation: July 2023)

- Conduct user quantitative and qualitative research before starting a project where problems are observed and solutions created.
- Analyze and ideate data from the research conducted and design solutions in the form of low and mid fidelity screens accordingly.
- Creating user personas, user journeys, user flow diagrams, mood boards and style guides.
- Refine designs into high-fidelity screens and testing them repeatedly.
- Creating responsive designs and turning them into working prototypes.

Take a look at my Portfolio:

[Shwetha Elisha's UI/UX Portfolio](#)
